Mr. Walter P. Brewer, Chairman
Advisory Committee
Southborough, Massachusetts

Dear Mr. Brewer:

In regard to the investigation which is now being conducted by your committee, we should like to call to your attention the fact that Mr. Burnett will be out of Town during the week of May 18th.

As we feel that our full Board should be present at any hearing which may be conducted, we would respectfully request that there be no activities in regard to the selectmen during that week.

Yours very truly,

Chairman.

Mr A.W.Howes
Southboro, Mass.

Dear Mr Howes,

As Secretary of the Investigating Committee I am writing to ask if you and the other selectmen will give us an interview at the Town House next Tuesday evening at 7.30. I am writing to Mr Meisner and Mr Burnett.

As a member of the Planning Board I might add the information that Mr Young is willing to come out and talk to us next Thursday. Will you let me know if these engagements will be possible for you?

Yours very truly,

Elliott Perkins

Mr. Elliott Perkins
Southborough, Massachusetts

Dear Mr. Perkins:

In regard to your communication of May 22, concerning an interview between the Selectmen and the special investigating committee, please be advised that the date is agreeable to me if it meets with the approval of the other Selectmen.

I think Thursday evening is also open but before I can be certain I should have to look at my diary which is in Boston.

Very truly yours,
